Subject: Question about drought and WQ --- D-1641

Hey Karen,

I don't know if you are the right person to ask or not but you're always so informative so I thought I'd start with you. Is the state board tracking compliance with D-1641 relative to both the original objectives in D-1641 (& Bay-Delta WQCP) and the modified objectives per the temporary change order? Do you know who I might talk to about that to find out if someone is doing that?
